2024 Symposium

The ACT Youth Council is a program designed by youth for youth to provide Alexandria students the decision-making power and funding to address key issues within the community.

Our Program

Closing & Senior Recognition

Reception & Refreshments to Follow

Leading with Trust

This year, 14 students from various Alexandria high schools centered trust as they built community support for Spring2Action and awarded their first-ever grants to nonprofits making an impact on issues they care about. This symposium highlights their experience supporting community and change in Alexandria with a trust-based lens.
